Dear Kevin

Inquest touching the death of Mr Craig Marren (deceased), Regulation 28 report.

Further to your letter of 23rd June 2014 regarding the death of Mr Craig Marren and your request to cut back hedges identified as obstructing the highway.

I can confirm that the Highway Authority does have powers under the Highways Act (1980) s130. I have raised an order for the hedge to be flailed back sufficient to clear the highway of obstruction.

Yours Sincerely

[REDACTED]
