Dear Sir,

**INQUEST INTO THE DEATH OF MARK DUGGAN - RESPONSE TO REPORT  
TO PREVENT FUTURE DEATHS - CONCERN ONE**

Thank you for your report dated 29 May 2014 under Schedule 5 of the Coroners and Justice Act 2009. The National Crime Agency (now incorporating SOCA) notes the concerns contained within it.

The National Crime Agency has undertaken a thorough internal review of its operating procedures in relation to how intelligence is gathered, how it is developed and subsequently disseminated. In the light of this review, the Agency does not consider that any more could realistically have been done to avoid this tragic incident.

Yours faithfully

  
**Deputy Director**
