Dear [REDACTED]

Re: Ronald Reginald Bentley (deceased) Regulation 28 Report

Further to you circulating the report to the British Cardiovascular Intervention Society (BCIS) and the British Society of Interventional Radiology (BSIR), I am writing to inform you that BCIS arranged for circulation to its members via its official newsletter on 26 April 2016 and have also passed on details to the British Heart Rhythm Society (BHRS) so they can arrange for circulation to electrophysiology colleagues.

Yours sincerely,
