Mr Ian Arrow

Senior HM Coroner for Plymouth, Torbay and South Devon.

Email: jamesc@plymouth.gov.uk

Dear Mr Arrow,

Your Regulation 28 report Prevent Further Deaths (PFD) notice dated 19th October 2018 following the death of Trystan Bryant has been received and I note your concerns. Given the specifics involved, I have written to all Chief Constables asking them issue a reminder to all operational officers likely to use authorities to detain under s136 MHA that they treat all ambulances as non-secure environments and not to assume they are or can be as secure as police vehicles.

Please see the letter attached, for your reference.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'M. Collins'.

Mark Collins

Chief Constable, Dyfed-Powys Police

NPCC Lead for Mental Health and Policing.
