Dear Ms Costello

Regulation 28 - Ms Lesley Mawby

I refer to your letter dated 18 June in relation to the above and thank you for copying NHS Stockport Clinical Commissioning Group (CCG) into your communication with Stockport NHS Foundation Trust (Stepping Hill Hospital). I am sorry to learn of the death of Ms Mawby and offer my sincere condolences to her family.

As the commissioner of healthcare services for the Stockport population I have reviewed the response provided by Stockport NHS Foundation Trust and I am satisfied that the actions taken are appropriate, will improve the service provided and reduce the likelihood of contributing to any future deaths.

In addition to the steps taken and in order to support the Trust in the delivery of this service, I have requested a commissioning led review so that I can be assured that service levels can be consistently delivered.

I hope the above is acceptable but if you require any further information in relation to this service then please do contact me via the following e mail address:-

Yours sincerely
